PROFILE

An enthusiastic and driven student, I am eager to leverage my academic prowess and leadership abilities to make a positive impact within both my educational journey and the broader community. I consider myself an open and honest person who does not believe in misleading other people and tries to be fair in everything I do. I am actively seeking for opportunities that will help me to develop my skills and contribute in personal growth and the success of the organisation.

WORK EXPERIENCE

WordPress Development Intern

The Website Makers

Jan 2024

- As a WordPress web development intern at The Website Makers, I have successfully completed projects focused on business corporate websites, professional blogs, and e-commerce, gaining valuable practical skills in web development.

UI/UX Designer Intern

Trio Devs

Jan 2024 - Present

- I am currently completing an internship at Trio Devs as a UI/UX designer, where I am actively involved in using various design tools to create compelling and user-friendly interfaces.

PROJECTS

Netflix Clone

Sep 2023

- I created a Netflix clone featuring signup, language selection, and content preferences. Users can download shows for offline viewing and access a children's profile for restricted content.

Tech Used: HTML | CSS | Javascript | Bootstrap
